Subject: Resident tracking report - July 2022

Hi Everyone,

Please see the attached July 2022 Resident Tracking Report. Please pay special attention that the facility where you worked, vacation, sick and education leave are correct. If the information is correct, please certify to the below statement. If the information is not correct, please let me know. **Please respond by August 3, 2022.**

"I certify that the Resident Tracking schedule for July 2022 has been provided to me. I have carefully reviewed this information and testify to its accuracy. This schedule provides the correct facilities for the named month and all days of the month have been accounted for in the report. By responding to this e-mail, I hereby certify that together with my hours worked and leave noted equals the required number of hours commensurate with the conditions of my training program. I understand that with submission of this full statement, I am certifying that there are no corrections to make to my July 2022 schedule."
